BALTIC PHYTOREMEDIATION (BAPR) PROJECT'S WORKSHOP

Study tour.
2021 06 29

On June 29th LAMMC, PP6 partner for the BARP project, invite you all to the online study tour at LAMMC, Vezaiciai, Lithuania. The goal of this study tour is to share the knowledge about eco-friendly technologies for cleaning the contaminated soil, present the plants mediated in decontamination technology and its principles.

We are looking forward to show you the soil cleaning technologies and project activities development by LAMMC.
